## Diane's Lights Night By Doc Williams

The grand finale to another wonderful summer on Sugar Lake is fast approaching. Diane's Lights Night is the evening where lakeshore owners are invited to put on a display hailing the end of warm summer days and the beginning of beautiful fall colors. It's a time when we say goodbye to some of our friends and neighbors. It's a time when we hardy Minnesotans prepare for ice fishing and winter activities. Why not join in this wonderful evening by putting up a display. If you're going for a free summer of Pepsi products, put out your best. The competition has gotten pretty spirited and you may have the winning entry. If you want to just add to the beauty of the evening, put out a simple display or even a few luminaries at the end of your dock. Each display, big or small, adds to the evening and makes Sugar Lake glow like the jewel that it is.

Saturday, Sept 3<sup>rd</sup> is the date and if it rains after 1 PM on that day, the event will be held on Sunday evening. The rules for the competition are simple: all illumination for your display must originate from a flame of some sort. Candles, campfires, torches, or any flame you can think of are permitted but no electrical lighting. As the day fades to night, the

DeGroot family, last years winners, will judge the entries. Doc Williams will notify the winners the next day. We ask all who view the displays by watercraft to proceed counter clockwise around the lake to avoid congestion. If you have a swim platform, please bring it in for the evening or place luminaries on it to avoid a collision. Make sure all your running lights are working. If your watercraft has landing lights and you feel the need to use them, do it sparingly so as not to detract from the displays. Good luck to all and above all, enjoy the evening.

## No Wake Ordinance

The Wright County Board of Commissioners voted unanimously on Tuesday, 26 July to implement a temporary emergency slow/no-wake ordinance on 15 lakes in the county, including Sugar. This ordinance is in effect for our entire lake. Other area lakes covered by the slow/no-wake ordinance are: Clearwater, Pleasant, Bass, East Sylvania, West Sylvania, Augusta, the Clearwater Chain of Lakes (Caroline, Louisa, Marie and Mill Pond), Nixon, and Locke Lakes.

"Slow" generally means going no faster than 5mph; larger boats with deep hulls or wake-board boats that tend to generate large wakes may have to go even more slowly to minimize their wakes.

The ordinance will be in effect until October 1, 2011 or until the lake level has receded to 6" above the ordinary high water mark and stayed there for 3 consecutive days, whichever comes first.

The Wright County Sheriff will be enforcing the ordinance. Signs are posted at the public landings. Any violation of the ordinance is considered a criminal misdemeanor.

At the Saturday, August 20 meeting, the Sugar Lake Association Board of Directors voted to request an amendment to the ordinance for Sugar Lake. The amendment would establish a slow/no wake area within 300 feet of the shoreline. This request may be considered by the Commissioner's at their meeting the week of August 29.

## Vegetation Report

Dale Gustafson – Vegetation Committee

Our volunteers have found less Eurasian water milfoil showing near the surface this year. We have hired PLM Lake & Land Management company and they are completing the delineation of the EWM area that could be treated. We will review their results and decide which area to treat if any. You should watch for information through the Sugar News Flash so you could turn off your irrigation if you are in a treatment area.

## Sugar Lake Apparel

**SWEATSHIRTS:** It has been another great year for apparel sales, thank you! We do have several sizes available in this year's printed pattern. They make great gifts, especially for the guys, so please contact Sheree at 320.963.5295 for specific availability.

**ORDERED ITEMS:** Most of the sweatshirts (Women's and Youth sizes) should be available for pick up over Labor Day Weekend. Some of the fish glassware is on backorder and will follow in a few weeks.

**SNOOTY FOX ORDERS:** The store will donate 20% of all Sugar Lake items sold or ordered during the month of August. Gift shopping for your lake family is easy, more fun, and helpful.
